

2014 London Sukuk Summit

ICG-Events are pleased to announce the 2014 London Sukuk Summit; the 8th Summit in the series will be taking place on the 18th-19th June at the Jumeirah Carlton, Knightsbridge, London.

The London Sukuk Summit has over the years established itself as the foremost gathering in this field based on its ability to bring together the leading industry experts and institutions to explore the key issues impacting the Islamic Capital Markets sector and its future development and is very much an industry led and industry focused event. Following David Cameron's announcement in November of 2013 at the World Islamic Economic Forum, of the British government's intention to issue a debut £200 million sovereign Sukuk in 2014, the London Sukuk Summit has assumed even greater significance for all those either engaged in or interested in accessing the liquidity and huge opportunities available in the rapidly growing global Islamic financial services industry.
